Lawrence M. Tanenbaum

LAWRENCE M. TANENBAUM
Chairman of the Board, Maple Leaf Sports & Entertainment Ltd.

NHL Governor

Larry Tanenbaum was appointed Chairman of Maple Leaf Sports & Entertainment in July 2003. He also serves as Governor of the NHL for the Toronto Maple Leafs, of the NBA for the Toronto Raptors, and of Major League Soccer for Toronto FC. Toronto FC is the latest addition to the MLSE sports family, and began play in spring 2007 at the new 20,000 seat BMO Field located on the Exhibition grounds.

Mr. Tanenbaum has shown a long-standing interest in the sports and entertainment industry and was the primary force in bringing an NBA franchise to Toronto. In the early 1990's, Tanenbaum attempted to move established NBA clubs to Toronto and then, as head of the Palestra Group, he initiated the expansion process that opened the eyes of the NBA to Canada. Although he was unsuccessful in being awarded the initial expansion franchise, Tanenbaum established himself in NBA circles and the city as a legitimate NBA home.

In 1996, Mr. Tanenbaum acquired an interest in the Toronto Maple Leafs of the National Hockey League and Maple Leaf Gardens, Limited (now Maple Leaf Sports & Entertainment). With MLG's purchase of the Raptors and Air Canada Centre in February 1998, Tanenbaum fulfilled his goal of NBA and NHL ownership in Toronto under the same group.

In 2000, Mr. Tanenbaum was appointed to the Planning Committee of the NBA Board of Governors, a group that charts the course of future direction for the league. In addition to that prestigious posting, he also serves on an NBA task force comprised of players and Board members to further the league's community outreach efforts. Mr. Tanenbaum has recently been appointed to the Advisory/Finance Committee - the senior most committee of the NBA Board of Governors which considers and makes recommendations to the Board concerning a wide range of financial and league business matters.

Mr. Tanenbaum is currently Chairman and Chief Executive Officer of Kilmer Van Nostrand Co. Limited (KVN), having served as President & CEO from 1968 to 2000. Under his direction, Kilmer developed into a multi-faceted construction operation with operating divisions and subsidiaries covering road building and paving, ready-mix concrete, aggregates, heavy construction, trucking and pipe manufacturing. Through December 2000, Kilmer's road building, paving and aggregates operations were conducted through Kilmer's wholly owned subsidiary, The Warren Paving & Materials Group Limited. Mr. Tanenbaum served as Chairman of Warren, which was Canada's largest asphalt paving company. Warren's activities also included major commercial aggregates operations, liquid asphalt trading and distribution and road maintenance. In December 2000, Warren was merged into Lafarge Corporation, North America's largest diversified supplier of construction materials. As a result of this merger, Kilmer became a significant shareholder in Lafarge NA, and Mr. Tanenbaum served on the Board and chaired its Finance Committee until the 2006 buyout by Lafarge SA. Kilmer today manages infrastructure investments through Kilmer Brownfield Equity Fund LP, Quickload CEF Inc. and Host Kilmer Service Centres Inc.

Kilmer also has significant investment in various sports-related entities, including Insight Sports Ltd, which is a leading sports media company involved in the creation, production and broadcasting, on all platforms, of sports and related lifestyle content. Insight Sports holds equity positions in several Canadian specialty television services including The NHL Network and Score Media and owns and/or operates the World Fishing Network (WFN) and Game TV. In 2003, through Plaza Gaming and Entertainment, Kilmer invested in the charitable gaming industry in Canada. Through its operations in Ontario and BC, Plaza's facilities raise over $20 million per year for local municipal charities.

In addition, Mr. Tanenbaum serves as Chairman of Kilmer Capital Partners, a private equity investment fund, which provides equity capital to small to mid-market companies, and is dedicated to building leading companies in partnership with management. Kilmer Capital's portfolio includes Unisync Group Ltd., Hydropool Industries Inc., McGregor Industries Inc., Algorithme Pharma Inc., Coalision and Tribal Sportswear.

Mr. Tanenbaum served as National Revenue Chair of the Liberal Party of Canada during Prime Minister Paul Martin's term of office. He currently serves as a member of the Ontario Investment and Trade Advisory Council, and recently served on the Independent Fiscal Review Panel of the City of Toronto and the Mayor's Economic Competitiveness Advisory Committee of the City of Toronto.

Mr. Tanenbaum's involvement in Community Associations includes the following: Vice-Chairman, Board of Directors, Mount Sinai Hospital – a tertiary care teaching hospital associated with the University of Toronto; Co-Chairman of the Research Committee for the Samuel Lunenfeld Research Institute; Member, Board of Directors, NeuroScience Canada; Member, University Council, Cornell University; Member, Advisory Board, Baycrest Centre for Geriatric Care; Member, Dean's Advisory Council, Schulich School of Business, York University; Member, National Board of The Canadian Council of Christians & Jews; Member, Board of Directors, Miller Thomson Foundation; Founding Member, Canadian Council for Israel and Jewish Advocacy (CIJA), and Co-Chair, Tomorrow Campaign for UJA Federation.

In recognition of his contributions in the areas of business, philanthropy, and volunteerism, Mr. Tanenbaum was appointed an Officer of the Order of Canada on October 25, 2007. The Order of Canada is the centrepiece of Canada's honors system and represents its highest civilian award.

Mr. Tanenbaum has a Bachelor of Science degree in Economics from Cornell University (1968).

Richard A. Peddie

RICHARD A. PEDDIE
President and CEO, Maple Leaf Sports & Entertainment Ltd.

Alternate NHL Governor

For Richard Peddie the concept of a winning organization at Maple Leaf Sports & Entertainment (MLSE) reflects winning on the ice, on the court and on the pitch and being a winner off it as well. Peddie's company vision is clear–WIN. Accordingly, the company's core values are: Excite Every Fan, Inspire Our People, be Dedicated To Our Teams, and be Leaders In Our Community.

It is a personal practice of this vision and values that has enabled Peddie to continually place his mark on the North American professional sports and entertainment scene. In his 11th year as President and Chief Executive Offfer of MLSE, Peddie oversees all business operations related to the Maple Leafs, Raptors, Toronto FC, Marlies, the operations of Air Canada Centre, the organization's three digital channels–Leafs TV, Raptors NBA TV and GOLTV–and the sports and entertainment development known as Maple Leaf Square. On July 1, 2003 he was appointed to the Board of Directors for MLSE.

Under his vibrant leadership the company continues to expand its growth with a dynamic vision for the future. In May 2006, the organization unveiled its newest sports team–Toronto FC. Toronto FC, the 13th team in Major League Soccer and the fist outside the United States, has proven to be one of the most successful start-up teams in professional sports history. Since opening play in April 2007 in the new 20,000 seat BMO Field at Exhibition Place, Toronto FC has sold out every home game and established league standards in several areas of business operation. It was runner-up to the Boston Red Sox as Sports Business Journal's Professional Sports Franchise of the Year in 2007. Toronto hosted the 2008 Major League Soccer All-Star Game. Pivotal to growing soccer in Canada, BMO Field is operated by MLSE and a successful example of a private-public sector partnership between MLSE and the three levels of government. BMO Field's success has created economic growth for Exhibition Place and the City of Toronto. Its high-profile events outside of the Toronto FC games such as the 2008 Major League Soccer All-Star Game and the Real Madrid friendly match have generated an economic impact of $33 million for Toronto.

MLSE launched its fist venture into outside building operations in 2004 with an agreement to lease Toronto's Ricoh Coliseum as the home of the Marlies, the Leafs' AHL affiliate, and to manage operations and event planning for the facility. On April 19, 2005 the company announced a major expansion initiative with the development of a $500 million Maple Leaf Square–a premier sports and entertainment destination to be located next to Air Canada Centre. The project includes a high-tech sports-themed restaurant, Hôtel Le Germain Maple Leaf Square, a 168-room boutique hotel, a 48,000-square-foot store Longo's grocery store, 872 condominiums, offfe space and a 170,000 square foot retail space anchored by a 9,000 square foot Leafs, Raptors, Marlies and Toronto FC store. Maple Leaf Square is presently under construction and scheduled for completion in 2010.

In 2009, MLSE unveiled two major building initiatives. An investment of $48 million has created a newly revitalized and expanded Air Canada Centre. Air Canada Centre now boasts multiple entry points on its west side, additional retail areas, concessions stands and a high-definition broadcast studio all located on a multi-level spacious area known as the Atrium. The Maple Leafs and Marlies also opened their new practice and training facilities in the MasterCard Centre for Hockey Excellence, Toronto's fist community arena built since 1982. The training and practice facilities will serve as a global model for excellence in sports and an epicenter for hockey in North America, where the next generation of athletes can develop.

In 2001, MLSE became the fist North American sports franchise to unveil separate television channels dedicated to coverage of its hockey and basketball entities. The stations have witnessed substantial growth in programming and viewership. In 2009, MLSE acquired GOLTV Canada, a network dedicated to soccer, to complement its existing broadcast portfolio and to support its aspiration to grow soccer in Canada. Today, MLSE is the largest producer of live sports broadcasts in Canada. Developing new innovative digital platforms to deliver Leafs, Raptors, Marlies and FC content to fans is going to be one of MLSE's primary initiatives in the coming years.

Peddie was named president of the Raptors on November 22, 1996, but his fist foray into professional team sports came in 1993 with the Palestra Group, a consortium of local businessmen seeking to bring an NBA expansion franchise to Toronto. The group, headed by Larry Tanenbaum, current Chairman of the Board of MLSE, was unsuccessful in securing the rights to the franchise but did establish Toronto as a viable entry into the NBA marketplace. It showcased the city's overwhelming capability to support a new franchise in uncharted waters.

Immediately prior to joining the Raptors, Peddie was President and COO of NetStar Communications, formerly Labatt Communications, the parent company for The Sports Network (TSN), Le Réseau des sports (RDS), The Discovery Channel and Dome Productions. In July 1995, he was one of the key individuals in the management-led consortium that purchased the company.

In 1989, after 19 years in the packaged goods industry, Peddie accepted the post of president and chief executive offfer of the Stadium Corporation of Ontario (SkyDome). During his five years at SkyDome, he helped to host more than 1,000 events and entertain more than 29 million guests. The facility was chosen Stadium of the Year four consecutive years by the Sports and Entertainment Industry and in 1992, Peddie was honoured as the North American Facility Manager of the Year.

Peddie began his business career with Colgate Palmolive in 1970 and moved to General Foods three years later. In the spring of 1983 he was promoted to the position of president of Hostess Foods. In 1985, he left to become the president and CEO of Pillsbury Canada, and during his tenure the company displayed record growth and was recognized as one of Canada's "100 Best Companies" by The Financial Post. Peddie received the Donald B. McCaskill Award for Marketing Excellence in Canada for his efforts with Pillsbury.

A native of Windsor, Ontario, Peddie graduated from the University of Windsor in 1970 and received an honourary doctorate from the institution in 2001. Peddie accepted an invitation to teach a bachelor of commerce course in strategic leadership to fourth year students at the University of Windsor in the fall of 2002. Peddie remains one of the University of Windsor's most philanthropic and active donors.

Brian Burke

RIAN BURKE
President and General Manager

Brian Burke was named the President and General Manager of the Toronto Maple Leafs on November 29, 2008. The 54-year-old Burke became the 13th General Manager in Maple Leafs history and brings over 20 years of National Hockey League experience in various roles to the franchise. Since taking over the Maple Leafs, the club finished the 2008-09 regular season with a record of 27-26-7. Burke added many key players to the Maple Leafs roster during the summer of 2009 including goaltender Jonas Gustavsson; defencemen Francois Beauchemin, Mike Komisarek, and Garnet Exelby; as well as forwards Rickard Wallin and Colton Orr.

Burke served as Executive Vice President and General Manager of the Anaheim Ducks from 2005 to 2008. In just over three seasons in Anaheim, Burke guided the Ducks to their first Stanley Cup (2007), first Pacific Division title (2007), and first-two 100+ point seasons (2006-07 & 2007-08). The Ducks also qualified for post-season contention in all three seasons, winning six-of-eight playoff series over that span.

Burke received two outstanding honours in the summer of 2008. On June 6, he was chosen by USA Hockey as General Manager of the 2010 U.S. Olympic Hockey Team, and was named a recipient of the 2008 Lester Patrick Award for outstanding service to hockey in the United States on August 7. Burke was also the General Manager for Team USA at the 2009 World Championships.

Burke was ranked No. 1 by The Hockey News in the magazine's Annual GM Rankings in March of 2008, and was a finalist for The Hockey News Executive of the Year in 2006. He was named the Sporting News Executive of the Year in 2001, and was a runner-up for the same award following the 2005-06 season.

Burke joined the Ducks after a six-year stint (1998-2004) as President and General Manager of the Vancouver Canucks where he revitalized the team and the community en route to consecutive 100+ point seasons and the 2004 Northwest Division title. RON WILSON
Head Coach

Ron Wilson was named the 27th head coach in Toronto Maple Leafs history on June 10, 2008. In his first season in Toronto, the Maple Leafs compiled a record of 34-35-13. Wilson earned his 550th career NHL win as a head coach on April 1, 2009 when Toronto defeated the Philadelphia Flyers 3-2. The 54-year-old currently sits second in all-time wins among active NHL coaches with 552. Wilson previously held NHL head coaching duties with Anaheim, Washington and San Jose.

Under Wilson's guidance the San Jose Sharks were the only NHL team to have won at least one playoff round in each season from 2003-04 to 2007-08. In his four full seasons behind the Sharks bench, the team advanced to the Western Conference Final for the first time ever in 2004, and reached the Conference Semifinals in 2006, 2007 and 2008. His Sharks teams garnered two Pacific Division championships (2004 and 2008); twice finished second in their division, and twice posted the second-best point total in the conference. Between 2003-04 and 2007-08, no team appeared in more Stanley Cup playoff rounds (nine) other than the Detroit Red Wings (10). Wilson's team had the third-most NHL playoff series victories (five) behind only Detroit (seven) and Anaheim (six) during that time.

With a record of 206-134-45 (W-L-O/T) Wilson surpassed Darryl Sutter as the Sharks' all-time wins leader on March 1, 2008. He is also the team's leader in post-season games coached with a 28-24 mark in 52 playoff games.

Wilson coached the Washington Capitals from 1997 until 2002 where he compiled a record of 192-167-51. His tenure in the United States' capital was highlighted by the team's only trip to the Stanley Cup Final in 1998.

Prior to spending five seasons with the Capitals, Wilson had served as the first head coach of the expansion Mighty Ducks of Anaheim in 1993, and he led the team to the post-season for the very first time in 1996-97.

In 13 NHL full seasons (minimum 82 games in a season) as head coach, Wilson's teams have reached the post-season eight times; won four division titles; won one playoff conference title; reached at least 90 points seven times; reached at least 100 points four times; reached at least 40 wins seven times; and reached 50 wins once (51 in 2006-07, which was a Sharks record).

Throughout his professional and amateur career, Wilson has enjoyed a long-standing relationship with USA Hockey. On April 6, 2009, Wilson was named USA Hockey's head coach for both the 2009 World Championships and the 2010 Olympics. Wilson has now coached the U.S. National team three times at the World Championships (1994, 1996 & 2009), advancing to the semifinals in each tournament. He also led Team USA to the gold medal in 1996 at the inaugural World Cup of Hockey and he coached the team again at the 2004 tournament. Wilson also served as head coach for Team USA at the 1998 Nagano Winter Olympics.

Wilson was a seventh-round selection of the Toronto Maple Leafs (132nd overall) in the 1975 NHL Amateur Draft. He made his NHL debut by playing in 13 games for Toronto in 1977-78, followed by 46 games in 1978-79 and five games in 1979-80. He recorded seven goals and 15 assists to go along with six penalty minutes in 64 total games with the blue and white. He recorded a goal and three assists in six career Maple Leafs playoff games. In 117 career NHL games as a player with Toronto and Minnesota, Wilson recorded 26 goals and 67 assists for 93 points.

Wilson is one of 15 individuals that have both played for the Maple Leafs and then went on to coach at least one game for the Original Six franchise.

Born in Windsor, Ontario, Ron is the son of Larry Wilson and the nephew of Johnny Wilson, both former players on Stanley Cup winning teams from Detroit.

DARRYL SITTLER

Community Representative

Darryl Sittler is one of the greatest players to ever wear the Toronto Maple Leaf uniform. Sittler returned to the organization on August 8, 1991 and the former captain represents the organization in the areas of Marketing, Community Relations, and Alumni Relations.

The Maple Leafs honoured Sittler on February 8, 2003, by raising his #27 banner permanently at Air Canada Centre.

The former centreman was Toronto's first choice, eighth overall, in the 1970 Amateur Draft. In 844 games with Toronto he recorded 389 goals and 527 assists for 916 points. In 1977-78 he amassed career-highs in points (117), goals (45), assists (72) and penalty minutes (100) while playing in all 80 games.

The native of Kitchener, Ontario may well be remembered for two of the most historic performances in the history of the National Hockey League. On February 7, 1976, Sittler scored six goals and added four assists for an NHL record total of 10 points in a game versus the Boston Bruins at Maple Leaf Gardens. That spring, the team leader joined Maurice Richard in hockey history by recording five goals in one playoff game against the Philadelphia Flyers. Darryl's place among the sport's all-time greats came in 1989 with his induction into the Hockey Hall of Fame and in 1995-96, Darryl was voted by the fans as the centreman on the all-time Leafs team.

Darryl and his wife Luba reside in Toronto, Ontario.

MASTERCARD CENTRE FOR HOCKEY EXCELLENCE

Opening in September 2009, the MasterCard Centre for Hockey Excellence, in partnership with the Toronto Maple Leafs, Toronto Marlies and Lakeshore Lions Club is the first community ice facility to be built in the Toronto-area in the last 25 years. It also serves as the Maple Leafs and Marlies practice facility and will be home to the Toronto Maple Leafs Hockey School.

The state-of-the-art team practice and community facility includes four ice pads – three NHL-size and one Olympic-size – a spectator area that can seat up to 1,000 fans, and close to 30,000 square feet of Leafs and Marlies dressing room and training space. The Leafs and Marlies have invested $5.5 million on their dedicated space, which houses the finest technology, exercise facilities, a medical room to support diagnosis and treatment; and a physiotherapy room that supports rehabilitation and recovery.

The Leafs and Marlies Practice Facility will become synonymous with hockey development and aspires to be a successful NHL global model, an intelligence centre that sets the standard for training and high performance in hockey worldwide.

The MasterCard Centre for Hockey Excellence will serve as a great community asset that makes hockey accessible to the public. The Leafs will also use the arena to run hockey development clinics and programs including Toronto Maple Leafs Hockey School, taking their outreach efforts to new levels by bringing hockey to Ontario's youth.

Hockey Canada's Ontario Regional Office and the Hockey Hall of Fame's Resource Centre and Archives will also be tenants in the new facility.

MAPLE LEAF SQUARE

MAPLE LEAF SQUARE

In April 2005, Maple Leaf Sports & Entertainment (MLSE) unveiled plans for Maple Leaf Square, a new sports and entertainment destination which will be adjacent to Air Canada Centre's west side. Jointly owned by MLSE, Cadillac Fairview and Lanterra Developments, the $500 million development will become the premier pre-and post-game sports and entertainment destination. Linked to Air Canada Centre by an enclosed glass bridge, Maple Leaf Square will have restaurants – including a high-tech sports restaurant and bar – a Le Germain boutique hotel known as Hotel Le Germain Maple Leaf Square, a 48,000 square foot Longo's grocery store, extensive retail shopping anchored by a 9,000 square foot Leafs, Raptors, Toronto FC and Marlies store, public square and a residential component for fans to enjoy, creating a larger signifitant stage that will attract major sports and world events to Toronto. Maple Leaf Square will have a direct underground link to public transportation and the city's PATH system. This highly anticipated project supports the waterfront and railroad lands revitalization. Construction began in 2006 with project completion scheduled for 2010.

Mark Osborne is the President of the Toronto Maple Leaf Alumni Association, recently assuming this role in the spring of 2009. Osborne is also an Ontario Rep for Hockey Ministries International (HMI) which provides spiritual leadership in the game in over 22 leagues across North America, including the NHL and AHL.

After being drafted 46th overall by Detroit in 1980, Mark became a Maple Leaf in 1987 where he spent five-and-a-half seasons with the blue and white, playing in 426 games. With line mates Bill Berg and Peter Zezel, he would help the Leafs reach the Conference Finals in two consecutive seasons: 1993 and 1994. Born in Toronto, Mark played his junior career with the Niagara Falls Flyers of the OHL.

After retiring from hockey in 1998, Mark continued his career in the game working as the Director of Hockey Operations and Head Coach for the Toronto St. Michael's Majors (1998-2000) and as the Assistant General Manager of the Mississauga Ice Dogs (2002-2003) both of the Ontario Hockey League.

Toronto Maple Leafs Alumni Association

TORONTO MAPLE LEAFS ALUMNI

Founded in 1995 by Red Kelly, Allan Stanley, Eddie Shack and Frank Mahovlich, the Toronto Maple Leafs Alumni (TMLA), is the largest association of its kind in the NHL with over 190 members. From its first sitting president, Billy Harris, to current head, Mark Osborne, the TMLA is dedicated to creating and maintaining ties between current and past players in an effort to promote wellness and participation in the community.

In its 14th year of existence, it has expanded its participation to include a variety of team events including the Easter Seals Skate, Leafs Open Practice, Fans First Ball Hockey, School Visits, and Hockey Schools. This is in addition to numerous charity hockey games, golf tournaments, autograph signings, dinners, and other special functions.

Many charitable organizations benefit from the dedicated efforts of the TMLA, including the Leafs Fund, Camp Maple Leaf, and most recently the Family Fund of the Canadian Armed Forces. Their commitment to the Family Fund was highlighted when several of the Leafs Alumni accompanied the Stanley Cup to Kandahar, Afghanistan to help support Canadian Troops in each of the past three seasons.

Air Canada Centre

INTRODUCTION
Air Canada Centre is Canada's premier sports and entertainment venue and home to the Toronto Maple Leafs Hockey Club, Toronto Raptors Basketball Club and the Toronto Rock Lacrosse Team. Air Canada Centre recently celebrated its tenth anniversary, having first opened its doors in February 1999. Over its ten-year history, Air Canada Centre has been recognized with more than 25 industry awards and has hosted over 27 million fans at close to 2,000 events including Leafs, Raptors and Rock games, as well as concerts and live events.

LOCATION
Air Canada Centre is connected to Union Station and the underground pedestrian PATH system, providing easy access to public transportation (TTC, subway and GO Transit) for fans attending events.

ARENA FEATURES
Air Canada Centre has just undergone an extensive $48 million revitalization and renovation on its west side. The expanded area called the Atrium has created a multi-tiered concourse that includes retail stores, food and beverage concessions–such as (Brian) Burkie's Doghouse gourmet hot dog stand and Wally's Donuts with bear paws.

Leafs TV, Raptors NBA TV and GOLTV's high-definition broadcast studio will be also located in the Atrium enabling fans to get up close and interactive with some of your favourite Leafs TV personalities.

Running in an east-west direction just south of Union Station, the Galleria is a climate-controlled public walkway located at the north end of Air Canada Centre. The Galleria houses the Ticket Offite, CentreSports (the official store of the Leafs and Raptors), a food court and the BMO Bank of Montreal Fan Zone, a fun and interactive hockey and basketball setting providing entertainment for fans attending the game. In addition, an historical display of artifacts from the original Canada Post Building and construction site are prominent features. Air Canada Centre remains the only arena in North America to house three of its own exclusive award-winning restaurants-the Platinum Club, Air Canada Club and the Hot Stove Club. The restaurants, along with themed concession stands and kiosks offer a diversity of food and beverages that capture Toronto's multicultural flavour. Two in-house bars, the newly renovated Ice Box and Lord Stanley's Mug, which has its own micro-brewery, are favourite spots where fans can meet friends before the game or for a drink between periods.

ACCESSIBILITY
As the proud recipient of the Jeff Adams Award of Excellence for facility accessibility, Air Canada Centre has dedicated accessible seating areas for disabled guests and their companions located throughout the building, providing maximum flexibility and pricing selection. All ticket and vendor windows, as well as the public washrooms are wheelchair accessible with accommodating counter heights and lower urinals equipped with grab bars. TTY phones are available on both the 100 and 300 levels with all payphones equipped with volume control. Braille and tactile signage is also used throughout the arena.

FAN CONSIDERATION
Air Canada Centre is committed to ensuring that the arena remains at the top of its game and its guests have a great fan experience. The arena's intimacy is felt from the moment fans walk inside the building. The seating pitch is steeper than most, creating the very best sightlines for hockey. All Air Canada Centre seats are fully upholstered and 19-20" wide.

Since opening in 1999, millions of dollars have been invested in upgrading Air Canada Centre's features to keep the venue state-of-the-art and to keep fans excited and coming back.

When Leafs fans return to Air Canada Centre for the 2009-10 season, they will enjoy and benefit from numerous $48 million revitalization and renovation upgrades. The arena's top-notch acoustic technology will be further enhanced through a new state-of-the-art BOSE sound system. A new seating retract system will dramatically reduce the arena's conversion time by hours enabling the facility to move from hockey to basketball (and visa versa) mode in a matter of hours with the possibility of holding two events in the building in one day.

Last year a new high-definition scoreboard and display system was installed at a cost of $8 million. The system allows fans to feel much closer to the action thereby enhancing their hockey and basketball experience. Manufactured by Mitsubishi, Air Canada Centre's videoboard is the first of its kind in North America, with video screens that are 10 feet high and 16 feet wide. The high-definition videoboard screens deliver a top quality picture to all four corners of the arena with 414,720 LEDs on a single screen and 800% more LED display space. When combined with Air Canada Centre's 360 degree surface mounted LED video message board, it brings the total number of LEDs inside the arena to 2,293,760.

Air Canada Centre's broadcast, satellite and video facilities provide the 790 LG televisions throughout the building with live game action and replays. Other fan friendly features include a dedicated 50 milliwatt radio transmitter enabling fans to listen to play-by-play action and colour commentary while in the building and the high-grade acrylic rinkboard glass system providing fans with improved sight lines and greater safety.

MESSAGE BOARDS

Air Canada Centre's new concourse signage program provides a new level of digital fan interaction and dynamic brand messaging. The $3 million digital signage platform is designed create an engaging and memorable media experience from the moment a fan enters the facility with over 300 High Definition monitors positioned on the 100 and 300-level concourses. The monitors will work in sequence to offer partners with near concourse dominance, while providing an integration of live game feed and exciting team content drawing a new level of fan attention and interaction. Other fan-friendly features include a dedicated 50 milliwatt radio transmitter enabling fans to listen to play-by-play action and colour commentary while in the building and the high-grade acrylic rinkboard glass system providing fans with improved sight lines and greater safety.

MLSQ PUBLIC SQUARE

Upon completion in 2010, Maple Leaf Square's public square will play host to tailgate parties and pre-and-post event celebrations in an open air environment within full view of the Square's new 30 x 50 foot outdoor High-Definition Mitsubishi Display. The outdoor videoboard will broadcast every Leafs game beginning with the team's 2009-10 preseason games. The area adjacent to Air Canada Centre's west side will become Maple Leaf Square, a premier pre-and-post game sports and entertainment destination. Presently under construction, Maple Leaf Square will link to Air Canada Centre's Atrium by an enclosed glass bridge, and will include restaurants, a boutique hotel, extensive retail shopping and two condominium towers. Maple Leaf Square's public square will have the energy and feel of Times Square and supports city building, creating a larger significant stage that will attract major sports and world events to Toronto. Maple Leaf Square will open in Spring 2010.

COMMITMENT TO THE ENVIRONMENT

Reflecting a commitment to sustainability and reduce its environmental footprint, Air Canada Centre and Maple Leaf Sports & Entertainment have teamed up to Go Green through its long-term investment to investing more than $5 million over five years for greening initiatives and programs for Air Canada Centre. The venue's environmental initiatives include: reducing its energy consumption and its greenhouse gas emissions by 30 percent, re-engineering Air Canada Centre's mechanical and electrical operations and implementing a waste diversion program. To date, Air Canada Centre's greening efforts have resulted in a total waste diversion of nearly 237 tonnes of plastics, glass, paper and organics.

The Story Behind Leafs Honoured Numbers

BY JOHN IABONI

The 1990s symbolized a new era for the Toronto Maple Leafs and Leafs alumni. The Leafs embraced and welcomed Leafs alumni like never before. Together, the Leafs and Leafs alumni have since worked more closely together for the good of the community and in recognizing distinguished Maple Leafs from all generations.

During the initial phases, the Leafs organized discussions with various Leafs alumni members and Leafs management that culminated with the establishment of the policy regarding the honouring of players.

It was felt that not retiring player sweaters gives the Leafs the flexibility of honouring more of these individuals than would be the case if the Leafs took the sweater numbers out of circulation.

The consulting group determined that the former player's number would be deemed an "Honoured Number" but remain in circulation. The special banner for the honouree remains on permanent display at Air Canada Centre.

The Leafs historically only retired numbers of distinguished players that have died or had their career shortened due to tragic or catastrophic circumstances while being a member of the team. Irvine (Ace) Bailey (No. 6) and Bill Barilko (No. 5) are the two represented in this category.

The Leafs formally recognized both men, posthumously, with a special ceremony at Maple Leaf Gardens on October 17, 1992 in which family and associates represented each individual.

Then on October 3, 1993, Syl Apps (No. 10) and Ted (Teeder) Kennedy (No. 9) were the initial honourees chosen as part of the new approach. The Leafs believed they wanted to celebrate the careers of these esteemed Leafs while they were still living. Apps was in failing health at the time of his ceremony but was represented by his family.

Perhaps one of the most stirring ceremonies occurred on February 8, 2003 when Darryl Sittler was honoured and his No. 27 banner took its permanent place at Air Canada Centre.

The event was originally to have taken place on October 3, 2001 as part of a dual tribute with Toronto's first great No. 27, Frank Mahovlich. While The Big M's ceremony went ahead as planned, Sittler cancelled to be with his wife, Wendy, who was dying of colorectal cancer.

Fittingly, Wendy's name is inscribed on Darryl's banner.

"We were married for 30 years and were together since we were 17 years old," Sittler said the night of his ceremony. "She's the most influential person in the lives of our children. So she's a big part of this ceremony."

Arm-in-arm, Sittler, and his children, Meaghen,

The Story Behind Leafs Honoured Numbers

On October 4, 2006, the list of Leafs honoured numbers grew by three when Clarence (Hap) Day (No. 4), Leonard (Red) Kelly (No. 4) and Borje Salming (No. 21) were saluted.

"As a kid, I dreamed of making the National Hockey League; I dreamed about playing for the Toronto Maple Leafs and I dreamed about winning the Stanley Cup. But I never, ever dreamed of them putting my number up at the top of the Gardens which, of course, now has been replaced by the Air Canada Centre. It is a great honour ...one that I just never really imagined."

Ashley and Ryan, stood at centre ice, as they watched the banner rising.

What ran through his mind as he witnessed that?

"I guess to be thought of so highly by the fans, the media and the organization," he said that night. "I mean, you're making a mark in history because that banner will be there forever. I'm in great company, in a great organization. And Wendy's name (signature) is on the banner, which is the right thing to do because it should be there. She'll be remembered up there just as I was. It's a feeling that will never go away."

The Toronto Maple Leafs celebrated the achievements of two of their all-time greats in special ceremonies during the 2009-10 NHL season. Wendel Clark and Doug Gilmour, perhaps the two most beloved Toronto Maple Leafs over the course of the past 25 years, will have banners raised to honour their extraordinary contributions to the Original Six franchise. Clark was saluted in pregame ceremonies prior to the Maple Leafs' November 22 game against the Chicago Blackhawks, and Gilmour was recognized January 31 when the Pittsburgh Penguins visited Air Canada Centre.

A complete list of Honoured Numbers and ceremony dates may be found on page 229.

History of the Maple Leafs Uniform

PRIOR TO THE INCEPTION OF THE MAPLE LEAFS

Once known as the Blueshirts, Shamrocks, Marlboros, Arenas and the St. Patricks, Toronto's premier hockey franchise became known as the Maple Leafs after a group headed by Mr. Conn Smythe purchased the team on Valentine's Day, February 14, 1927. Taking over a club that earned Stanley Cup championships in 1918 (Toronto Arenas) and 1922 (Toronto St. Pat's), Smythe soon started laying the foundation that evolved into the current appearance of the storied Toronto Maple Leafs.

Now in charge of Toronto's National Hockey League entry, Smythe's patriotic pride led him to decide on a Maple Leaf as the team's namesake and crest. The Maple Leaf was a proud national symbol to Smythe due to his military career. It is also said that he admired the team name of the East Toronto Maple Leaves whom he scouted regularly. The uniform colours remained green and white for a year after he purchased the team out of respect for the previous organization. He then changed the colours to blue and white, likely due to his long time involvement with the Unversity of Toronto Blues hockey team who have the same colours. Past Public Relations Director, Stan Obodiac was fond of saying the blue represented the blue of the Canadian sky and the white represented the white of the Canadian snow.

1928-33

The Leafs' second uniform consisted of a blue home jersey with a series of thin-wide-thin striped bands on the arms, leggings and shoulders, and a 47-point Maple Leaf on the chest with the words "Toronto Maple Leafs" on the crest. The Leafs road uniform of the time was white with three stripes of equal width on the top of the chest and on the back, three stripes on the waist, three stripes on the stockings and the same 48-point Maple Leaf on the chest.

1933-34

Same design, excepting that the thin-wide-thin stripes on the neck and shoulders were replaced with three thin stripes of equal width.

1934-37

The basic design of the Leaf uniform for the next four decades was established just prior to the Ace Bailey Benefit Game. The leggings remained the same – three sets of triple stripes – but the jersey itself consisted of two stripes of equal width on the arms and on the waist. There were no stripes on the shoulder, just a simple white band around the collar. The maple leaf crest remained unchanged. The road uniform was similar, with blue stripes and collar.

1937-67

The home uniform remained virtually unchanged during these years except for some subtle alterations to the Maple Leaf crest. The appearance of veins on the Leaf and the word "Toronto" curving downwards appeared in 1937. A 35-point Leaf crest was introduced in 1942. In 1947, the words "Toronto Maple Leafs" appeared in red, but the innovation was largely ceremonial and only lasted one semester. The first appearance of the captain's "C" and the alternate captain's "A" appeared during the 1946-47 season. Other modifications included highlighting the Leaf crest with a white border (or blue border) and variations to the veins of the Leaf. In 1958, the neck was outfitted with a six-eyelet lace and tie, and this remained a feature of the Leaf uniform until 1973.

In 1958, a major alteration was made to the Leafs' road uniform when a solid blue yolking was added to the shoulder, extending from the neck to just above the stripe on the arm. In 1961, when the Leafs began to put numbers on the sleeves of the jersey, this stripe was tapered back to the top of the arm.

1967-70

The first major modification in four decades was made to both the Leafs' home and road uniform prior to the start of the 1967 playoffs. The standard 35-point Leaf crest was replaced with a solid 11-point Maple Leaf – similar to the Maple Leaf displayed on the new Canadian flag – in celebration of Canada's centennial year. "Toronto" still curved slightly downward. The two stripes on the arm and waist were replaced with one set of thin-wide-thin stripes, not unlike those on the Leaf uniform of 1928. The road uniform still retained the solid blue yolk on the shoulders.

1970-92

Another distinctive change was made to the Leafs uniform prior to the start of the 1970-71 season, when the NHL introduced legislation requiring the home team to wear white uniforms at home. The crest remained unchanged except the word "Toronto" which was now straight across the crest, parallel to the words "Maple Leafs." The arm stripes on both home and away uniforms was discontinued, replaced with a solid yolk extending from the neck to the wrist. A solid stripe on the waist, three solid stripes on the stockings and a miniature Leaf crest on the shoulders completed the new uniform design.

In 1975, the Leafs went to the v-necked collar for the first time for the 1972-73 season, but went back to the tie down collar for 1973-74 to 1975-76. In 1976-77, the collar went back to the V-neck shape. In 1975, the leggings were altered to have two stripes instead of three. In 1977, names appeared on the back of the road uniform and by 1979, on the back of the home jersey as well. Ceremonial patches, such as those celebrating the 50th anniversary of the Gardens, commemorating the Heart and Stroke fund, and dedications to King Clancy and Harold Ballard were common features in the past decade.

1992 TO PRESENT

During selected games of the 1991-92 season, the Leafs wore an "Original Six" styled uniform, similar in design to the classic jerseys of the 1940's. The fans greeted the "old style" design enthusiastically and with that in mind, the first design changes to the Leafs uniform in 22 years occurred in 1992-93. The uniform is a mixture of the old – triple stripes on the legs, two stripes on the arm and waist with the solid shoulder and arm stripe being discontinued – and the new, with the distinctive 11-point Leaf crest remaining. The shoulder patch features an old-style Leaf, much like the one featured on the "Original Six" uniform. Honoured sweater numbers were commemorated by special shoulder patches on two current Leaf jerseys beginning in 1993-94. In 1997-98, the numerals and letters on the back of the sweater were modified to match the exact letters of the Maple Leaf logo. A mesh-style under-arm was also incorporated. In 1998-99, in commemoration of the final National Hockey League action at the venerable Maple Leaf Gardens, a special jersey was worn for five home games and five road games. It featured a 35-point Leaf crest on the front and solid blue yolking along the shoulders. The jersey also incorporated the six-eyelet lace and tie which was a feature of the Leaf uniform from 1958 to 1973. Beginning in the 2000-01 season, the Maple Leafs altered the jersey with a new Varsity Block number design and a stylized TML logo as a shoulder patch.The Maple Leafs joined the other 29 NHL clubs by introducing a new version of their uniform prior to 2007-08. The TML shoulder patches, plus the horizontal stripes around the waist and the silver trim around the numbers were removed from the sweater. The entire uniform was designed to repel water while having a more anatomical, lighter fit.

Order of Selection for 2010 Entry Draft
The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.
No Club can move down more than one position as a result of the
Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

a) The first 14 selections, as determined by the Draft Drawing (see above);
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup finalist
f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

a) Non-playoff clubs in inverse order of points;
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup finalist
f) Stanley Cup champion

Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when signing their first contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.

2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.

3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days

Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. For purposes of Regular Waivers and Re-Entry Waivers, the six (6) year exemption for an 18 year old goalie and the five (5) year exemption for a 19 year old goalie shall both be reduced to four (4) years commencing the first season that the 18 or 19 year old goalie plays in eleven (11) NHL Games or more. The next three (3) seasons, regardless of whether the goalie plays any NHL Games in any of those three (3) seasons, shall count as the next three (3) years toward satisfying the exemption.

The first season in which a Player who is age 20 or older plays in one (1) or more Professional Games shall constitute the first year for calculating the number of years he is exempt from Regular Waivers and Re-Entry Waivers.

A Player 25 years old or older who plays in one (1) or more Professional Games in any season shall be exempt from Regular Waivers and Re-Entry Waivers for the remainder of that season.

Tie-Breaking Procedures

At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

a) First place in each of the three (3) divisions seeded 1, 2, and 3.
b) The higher number of points earned by the Club.
c) The greater number of games won by the Club.
d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) **
e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

** NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the "odd game") shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any "odd games") shall be used to determine standing.

Assist: An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played: A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal: After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal: A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average: Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender: A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct.: Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus: A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal: A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal.
  For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage: Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage: Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage: Divide the number of goals scored by the number of shots taken.

Shorthand Goal: A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal: If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout: If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second: If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record: A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

****Note:** No individual skater/goaltender statistics apply for the shootout.
